

Co-operation across the seas

Global Marine, Service & Parts is the company's worldwide network of marine service centers, partners, and representatives. All fully supported from the company's four Marine Factory Service Centers, 24 hours a day, 7 days a week, all year round.

Our technical support and services are available throughout the vessel's life time for all Marine HVAC&R plants, cargo refrigeration plants, fish processing plants etc supplied from Sabroe, Stal, YORK, Gram and Frick.

Most spare parts are available within 24 hours from the Marine Factory Centers or from comprehensive stocks maintained locally at the Marine Service Centers.
